Trademark Assignment

This Trademark Assignment (the "Assignment") is effective this 16th day of July, 2014. It is by and between **Phoenix Sports, Inc.**, an Oregon corporation ("we, us") and **TurnStyle Brands LLC**, a New York Limited Liability Company ("you").

**Recitals**

We own all rights, title, and interest in and to the marks, both under common law and the corresponding registrations and applications for registration as set forth in Schedule A (collectively, the "Marks") and have certain rights to and valuable goodwill connected with and symbolized by the Marks.

You wish to acquire the entire rights, title, and interest in the Marks.

Therefore, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

**1     ASSIGNMENT**

1.1     We hereby irrevocably assign, transfer, and otherwise convey to you all rights, title, and interest in and to the Marks in the United States and all jurisdictions symbolized by the Marks to the fullest extent that we could have held and enjoyed had this sale, assignment, transfer, and conveyance not been made. This includes, without limitation, all registration rights with respect to the Marks within or outside the United States based in whole or in part upon the Marks, the right to renew any registrations, all rights to prepare derivative marks, any priority right that may arise from the Marks, all goodwill, and all other rights, together with all causes of action for any and all previously occurring infringements of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

1.2     We authorize the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and officials in any applicable jurisdictions outside the United States to record the transfer of the registrations and applications for registration set forth in Schedule A to you as assignee of our entire right, title and interest therein. We agree to further execute any documents reasonably necessary at any time now or in the future to effect or perfect this assignment or to confirm your ownership of the Marks.
